Wesley Cox Is Elected President Of Trustees

Canyon school board Monday night in a called meeting named Wesley Cox, Canyon farmer and rancher, board president.

Cox succeeds Joe Gill as head of the board.

Cox came to the Canyon community when he was two years old and in spite of work that took him to several points in the state, he always considered Canyon his home.

Cox received his degree at Abilene Christian College and did work toward a masters at West Texas State. He coached for eight years at Canyon High School, Perryton, Athens, Overton and Sherman.

He has pursued agriculture here since 1951. Wesley and Mrs. Cox have three children, Barney, a high school sophomore; George, a sophomore at Abilene Christian College; and a daughter, Susan, who is in the

fifth grade here.

Wesley belongs to the Kiwanis Club, is a Church of Christ deacon and trustee for the Church of Christ Bible Chair at West Texas State.

Other officers named by the board include Walter Graham, vice president; Bill Davis, secretary; and Harold Erwin, assistant secretary.

Oath of office was administered to Erwin and J. O. Parker, victors in Saturday's school board election. Parker was an incumbent and Erwin as a fresh-

Regular practice sessions will begin this week and the regular season will get underway on May 5. Funds for support of the summer youth program will be gained from the annual sale of Babe Ruth candy which began this week.

Zoning Law Overhaul Set

The city's zoning ordinance will get an overhaul in the form of a major amendment within 90 days.

Marvin Springer, urban planning consultant for the city from Dallas, agreed with the City and Zoning Commissions last week that the revisions were in order. (See ZONING, Page 5)

The board canvassed the ballots of the Saturday election and declared Erwin and Parker winners.

Regular board meeting dates for the coming year were set for the third Tuesday of each month. Beginning with the May meeting, board meetings will be held at 9 o'clock in the evening as Texas will then be using daylight saving time. Meetings will be held at 7:30 o'clock in the (See WESLEY, Page 5)

19,000 Plus Tag Sales

A total of 19,360 license plates for passenger vehicles had been sold in the Randall County Tax Assessor-Collectors Office by noon Wednesday.

To this 19,000-plus figure can be added 2,771 tags for commercial vehicles and 1,045 for farm trucks and truck tractors. Sale of these plates was estimated at \$536,783.14, of which Randall County will receive \$175,000 plus a commission on each plate sold of about 45 cents.

Last year, 21,216 plates were sold for passenger vehicles plus 5,068 for all commercial-type vehicles.

Randall County Sheriff's offices and Canyon Police did not issue citations Sunday or Monday for those without current plates because of an erroneous report that four substitutions in south Amarillo would be open for those wishing to purchase the plates Saturday.

The tax offices in both south Amarillo and Canyon were open the previous Saturday, but few plates were sold.

Covering Fumbles

In my youth West Texas wind seemed to sing, "go away from this land;" — experience has taught that the song was, "keep thy feet upon this ground all ways."

Erwin, Parker Get Voter Nod

Harold Erwin was elected to the Canyon school board Saturday by a landslide.

J. O. Parker, incumbent, also won handsily but even he trailed the front runner by 210 votes.

Erwin received 450 votes at Canyon Legion Hall polling place and 97 at Gene Howe School for a total of 547.

Parker received 312 votes at the Canyon polling place and 25 at Gene Howe for a total of

337. Both Erwin and Parker are farmers and stockmen.

John Albers was third runner with 209 votes at Canyon and 21 at Gene Howe voting place for a total of 230. Albers is a farmer.

In fourth place, a scant four votes behind Albers, was Richard Pruett, Canyon restaurant owner. Pruett received 220 votes at Canyon and 6 at Gene Howe for a total of 226.

Marshall Rockwell received 115 votes at Canyon and 12 at Gene Howe for a total of 127. Rockwell is a businessman and farmer.

Fletcher Sims, Jr., received a total of 110 votes. He polled 67 votes in Canyon and 43 at Gene Howe. He is a livestock farmer and businessman.

A total of 790 votes were cast in the election--679 at Canyon and 111 at Gene Howe.

Three candidates were members of the Randall County Taxpayer's League which protested school tax rates. These include Albers, Rockwell and Sims. However, the league did not be-

Balloting Light As 475 Turn Out

Both incumbents were swept from office in light balloting in the city commission election Tuesday.

Felix Perce defeated John Williams 271 to 198 for place four. T. H. Foster won over Dr. J. Manly Bryan 308 to 163 for place five. Only 475 ballots were cast.

Campaigning for Perce and Foster was spirited.

Campaigning by the winners promised a lower city budget and limiting the powers of City Manager Gary Gwyn.

City officials say capital improvements were included in the budget in the past three years.

Major items acquired last year were a 500-thousand-gallon elevated water storage tank, a 1,000 gallon per minute diesel powered pumper truck for the fire department and a contain-

erized garbage collection system.

Normally, such improvements are paid for through a bond issue rather than being included in the regular budget, officials said.

City Manager Gwyn mentioned several other capital improvements included in the re-

Building Permits Are Down

Total dollar value of building permits for this March in Canyon dropped sharply compared to figures for the same period last year.

For March 1967 only \$75,910 in permits were issued compared to \$404,033 last year, said E. A. Collie, city building inspector.

Last March, seven residences, three commercial buildings and a 35-unit apartment were constructed as compared to primarily residential additions this March.

The \$75,000-plus figure is, however, above the February 1967 total of \$71,400, Collie noted.

Ramaekers Wins Spelling Crown

An eighth grade student from Umbarger School was declared "champion speller" for Randall County at the county bee held Friday in the Canyon Junior High School auditorium.

Henry Ramaekers, son of Mr. and Mrs. Vincent R. Ramaekers of Umbarger, gained the crown by correctly spelling "chassis" and then spelling "chauffeur" correctly in the twelfth round of the senior division bee.

Ramaekers will represent Randall County at the regional spellingdown to be held in Amarillo April 22. He will be competing with county champions from the Golden Spread for an expense-paid trip to the national spelling bee finals.

Runnerup in the senior division went to Diana Hill, daughter of Mr. and Mrs. Cecil Hill of Amarillo. Miss Hill is a

seventh grade student at Canyon Junior High School. The senior competition began with eight contestants and had been narrowed to Miss Hill and Ramaekers by the close of the ninth round.

FROM THE

CANYON RIM

Image of the law enforcement officer is being downgraded. Fewer people want to be police and respect for the municipal police officer is on the wane.

We are indeed on dangerous ground when we cheapen our police force.

Police brutality has become the accepted insult for the hoodlums to throw at the policeman doing his duty. Sure, the policeman is sometimes wrong but respect for the law and the law enforcement officer is all that keeps our society from being swept back to the jungle.

If you don't believe it, just look at what happened to Boston in 1919.

The blue coats were drawing only \$1,100 a year, about half the wage of an industrial worker. To cap it off they were on a 12-hour shift.

When nobody would hear their grievances they went on strike.

Of 1,544 Boston police, 1,117 walked out on a Sunday afternoon.

News of the strike swept the city. By dark mobs were jostling in the flop house and gin mill area of Scollay Square. A few fist fights tested the new freedom from restraint.

Then wanton vandalism followed. Trolleys were wrecked. Windows were smashed and cars were overturned. The crowd became a mob.

Women were raped and stores looted. Terror-stricken citizens barricaded themselves in their homes with loaded guns to protect themselves and their families.

Men were being slugged and robbed in plain view. By Wednesday the mobs were partially

armed and Boston teetered on the brink of catastrophe.

Governor Calvin Coolidge had refused to call out the national guard and left Boston to solve her own problem. Finally, Police Commissioner Edwin Curtis found a technicality whereby he could call out a small part of the state guard. These moved into Scollay Square with bayonets fixed.

Guardsmen killed three people before the mob fell back.

Four Harvard students, citizen volunteers, almost were lynched by the mob before help could reach them. Coolidge finally called out the guard and order was restored.

A lot of our picketing and rioting today is poorly veiled erosion of respect for law enforcement officers without which the law cannot be enforced.

An article in this month's American Legion Magazine notes that "It is respect for the police --- rather than the police themselves --- that actually enforces most of the law in this country."

Harold Erwin was a good choice for the school board. I think it was high time that the north part of the school district had representation on the board.

The board named Harold assistant secretary at its organizational meeting Monday night.

Ultra-liberals have pilloried Dallas because an out-of-state Communist killed President Kennedy there.

H. M. Baggerly, editor at Tulsa, even declared that President Kennedy would have been murdered in Dallas even if Harvey Oswald had been apprehended before he pulled the tri-

ger.

Dallas would have found a way, said a Baggerly editorial recently.

Now a cure for the dread baby killer, leukemia has been discovered by Dallas doctors. What are Baggerly and his kind going to have to say about this? Will Dallas get any credit? I doubt it.

Fair play is not one of the weaknesses of the ultra-liberals.

Ronnie Bourland wrote to tell us that he had seen a story about the Judy Rae Anderson case in The Stars and Stripes. He sent along an issue to prove it.

Varsity-Alumni Tilt Slated Next Week

West Texas State's annual Varsity-Alumni spring football game has been rescheduled for Thursday, April 13. The game was originally slated for Friday, April 14.

The Alumni Game will conclude spring practice for the 1967 Buffs, who will test themselves against such former West Texas greats as Hank Washington, Ted Wheeler, Burl and Earl Wood, Dave Gasser, Doug Kriewald, Bobby Duncum, and Marc Allen—all of whom have signed to play professional football—and established pro stars such as 6-7 300-pound George Allen of the Houston Oilers.

Other alums will be 1966 WT stars Percy Green, Phil Hampton, Ronnie Mankin, James Cowell, and Tom Moody.

The varsity gets its final tuneup before the alumni clash Saturday night in Pampa at 7:30 in an intra-squad scrimmage at Pampa High School stadium.

The Buffs played their third intra-squad game of the spring in Plainview Saturday night. The Red team, made up of the first offensive and defensive teams, trounced the White team, consisting of second and third teamers, by the convincing score of 44-3.

Despite the one-sided score, the White team played perhaps their best game of the spring, making a vast improvement over the 99-9 shellacking they took in Dumas last week.

The Red defense, which had surrendered only one touchdown all spring entering the tilt, kept their record intact by holding the Whites to a single field goal.

The Red offense found a potent blend in the passing of Paul Waite, the red-headed 6-3

Californian quarterback, and the bruising rushes of 6-2, 215-pound fullback Duane Thomas of Dallas.

Waite clicked on nine of 15 pass attempts for 128 yards and three touchdowns, while Thomas stormed for 131 yards on 14 carries.

All-American candidate Dave Szymakowski headed up the receivers with 98 yards and two touchdowns on five grabs.

Flashy halfback Eugene Morris scampered for 75 yards on 11 carries and snared five passes for 42 more steps and a score. Hotfoot Charley Henderson, the Dallas fireball, touched the ball only three times, but averaged 22 yards for each time he did. Henderson took two passes for 43 yards and a

score and rushed once for 23. The Red team rolled up 250 yards on the ground and 215 in the air for a total of 465, while Red defenders held the Whites to 43 afoot and 48 in the air for a total of 91.

Leading the Red defenses was tackle Jimmy Campbell, who picked off a pass and returned it 56 yards for a touchdown, while defensive back Gary McAttee of Canyon picked off a stray pass for the Whites.

The Whites' offensive punch came from passer Jim Wheeler, who zipped in seven of 14 throws for 48 yards, and from newly converted halfback Aaron Banks, who stepped off 36 yards against the unfriendly Red tacklers.

Small Tracksters Win At Amarillo

Four Kids Incorporated track teams represented Canyon in track meets in Amarillo over the weekend.

Canyon's Junior Girls, ages 12-14, encountered no opposition as they picked up 90 points and the team championship.

In Pee Wee Boys 10-12 year competition in separate meets, Canyon's Blue team took a second place with 53 team points, while the Canyon Gray team's 59 points was good for third in their meet.

Canyon's Midget Boys, aged 8-9, scored 46 points for a third place team showing.

Eagle Team On Streak

The Canyon Eagles won their third baseball game in a row by blasting Nazareth in both ends of a doubleheader there Saturday, 7-4 and 14-1.

In their last three games, the Eagles have outscored their opposition by 36-6.

Canyon picked up 11 hits and 11 walks in the 14-1 second game win, as Tommy Brandt went the distance on the mound, limiting Nazareth to two hits and three walks while striking out five.

Max Sunderman also went the route in the opener, giving up but four hits and one pass while holding Nazareth scoreless until the final inning.

Canyon batters gave Sunderman a 5-0 lead after five innings, and the nifty righthander made it stand up, aiding his cause by striking out the side in the third frame.

In the second game, the Eagles jumped on Nazareth pitching for a quick 5-0 lead in the first inning, and picked up 11 runs before the hosts scored their only run in the bottom of the third.

Galen Davis sparked the 7-4 victory with two runs, two singles, and two stolen bases, while the second win was a case of a well-balanced batting attack that was simply too much for Nazareth pitching.

News Brief

GIRL SCOUT TROOP 142 met recently at the First Methodist Church for a session including a study of the by-laws.

The group will work on the health aid badge at their next regular meeting. Also included in the meeting Tuesday were hobby reports by Donna Stark, Sherry Bellah, and Loran Fulton.

The meeting was closed with "Taps".

Eagles Shut Out Pampa Harvesters

Max Sunderman hurled a four-hit shutout against the Pampa 'B' team to carry the Canyon Eagles to their fourth win in a row, 6-0.

Sunderman pitched the entire game, fanning 12 Harvesters and not giving up a walk.

Canyon vaulted into a 3-0 lead in the second inning. Galen Davis singled in Joe Moore for the game's first run, and then walks to Don Howard and Yogi Rossi sent Sunderman and Jack Swartzell across the plate.

The Eagles added a pair of runs in the fourth on tallies by Davis and Lon Conner. Frank

Williams drove in Howard in the sixth for the last score.

Conner had the Eagles' only extra base hit, a double.

Davis was a key figure in the win by going two-for-three at the plate, scoring once and driving in a run, and stealing a base. Others who got into the base stealing act were Howard, Rossi, and Moore.

The victory evened Canyon's record at 4-4, while for Sunderman it was his second win against two defeats.

The Eagles have outscored their opposition 42-6 in their last four games.

Canyon opens district play Tuesday at Dumas at 4 p.m.

Man Hurt As Car Flips

Ernest E. Clark, Jr., 21, of 6215 Calumet Road in Amarillo, was listed in satisfactory condition at Amarillo Air Force Base Hospital following a one-car turnover early Wednesday.

Clark, who was traveling south on the Canyon Expressway near McCormick Road, flipped his 1966-model compact at about 7:30 a.m.

Ronnie Noble, of 3610 Tory Drive in Amarillo, said Clark was moving from the inside to the outside lane when he apparently lost control of the vehicle.

Noble said he was driving within 100 yards of the Clark automobile when he witnessed the accident.

Clark is the son of a retired Air Force Master Sergeant.

Canyon FFA Team Takes First Place

Members of Canyon's Future Farmers of America took top honors at a dairy cattle judging contest Saturday at Palo Duro Holstein Farms on the Louis Henders Farm.

The Canyon FFA group, composed of Dick Cummins, Scott Donnell, Mike Tilger and Doug Breitling, won over 28 dairy cattle judging teams at the meet. In individual judging, Tilger placed first; Cummins, second; and Donnell, fourth.

The group will travel to Plainview Saturday at Travel Brothers Farm for more judging of dairy cattle.

About 150 FFA boys were at the meet last week.

Carroll Duncan, head of the Canyon High School vocational agriculture department, and Gayle Fredrick were in charge of scoring.

Arron Justice of Crosbyton was high individual in judging and J. B. Sharp of Tulsa was second.

On the cover of the sheet music is a picture of some members of the Panhandle Heritage Foundation-sponsored show.

Money received from the sale of the music will help defray costs for additional risers and a record player suitable for the large Rex Reeves choir room.

The song was set by "TEXAS" author Paul Green to two ancient folk songs. The arrangement was made by Isaac Van Grove, arranger for the production; and Royal Brantley "TEXAS" musical director.

The song appears at several places in the show and was also introduced by some of the singers on an inaugural float in a parade this year honoring Gov. John Connally in Austin.

Amarillo Youth Drowns Sunday

An Amarillo youth was drowned Sunday in deep water at the Palisades.

Dead is Ronnie B. Hamilton, 17 years old, 4017 Parker, in Amarillo, son of Mrs. J. C. Wright.

He went under in a deep pool while pushing his fiancée, Miss Shirley Jean Price, Amarillo to safety.

With the couple were Leroy Houk, 17, Amarillo, and Roland Taylor, also of Amarillo.

Companions said Hamilton and Miss Price stepped into a deep pool while the group was wading in a creek at the Palisades.

Hamilton pushed his fiancée back toward shallow water and she was pulled to safety by Houk. Neither Hamilton or Miss Price could swim. The tragedy occurred at about noon.

Houk said he got hold of Hamilton but could not hold on. He said the boy was too heavy for him to hold.

Taylor said Miss Price's screaming attracted a man and his wife from a nearby house.

Doug Hooker, 15, son of Mr. and Mrs. Charles D. Hooker of the Palisades, said he arrived at the scene about two minutes after young Hamilton went down.

He said he dived but was unable to find Hamilton in the deep water.

The pool is about 25 feet wide and about 15 feet in depth. Two units from the Canyon Emergency Squad was summoned and with a boat and a drag bar with trebelhooks were able to recover the body in about a half hour.

The unit was directed by Canyon Firechief Jimmy Christopher.

The Hamilton youth was pronounced dead at the scene by Justice of the Peace Bill Wilson. Investigating for the Randall

Miss Wall won the junior bee with the correct spelling of "auxiliary" and "admonitory". The junior bee had 18 contestants.

As junior county champion, Miss Wall will be a special guest at activities of the regional bee. She will not be eligible to participate in the bee.

Each of the 26 contestants was presented with a ribbon as school champions entering the bee by County Judge Lloyd King.

Pronouncer for the bee was Mrs. Donna Moore, a graduate assistant in the English department at West Texas State University. Judges were Mrs. Roy Lyle, Mrs. Rex Chitwood, and Mrs. Phil Swartzell.

ed that a portion of the seal-coating planned be switched for repair work on streets at Hunsley Hills.

Gwyn was given approval to advertise for bids on the street program.

In other business, a policy for the installation of new curb and gutter was approved.

The policy, earlier discussed by the commission and prepared by Gwyn, also covers the replacement of existing curb and gutter.

Under the policy, a curb and gutter must be six inches in height and two feet in width.

No set amount of footage for drive openings in residential areas is required, but commercial single openings must be a maximum width of 20 feet and commercial double openings must be a maximum width of 30 feet.

A residential lot is allowed due double or two single openings and a commercial lot is allowed one double or two single openings for each 140 feet.

Valley gutters, all to be constructed of concrete, must be a minimum width of five feet and four inches, thickness of six inches and have reinforcement steel in sufficient quantity to tie the apron to valleys.

Under the policy, no laydown curb will be permitted except as drive openings.

Alley openings must be a width of the alley and a minimum of five feet of stand up curb is to be constructed on each side of the alley opening.

Under standard radius, the length is to be 11 and one-half feet. Drive openings will be permitted only immediately adjacent to the end of a radius or 20 feet from the end of the radius.

Distance less than 20 feet will not be allowed except as approved by the commission.

City dads voted to advertise for four air packs to be used by the Canyon Fire Department. The packs are in this year's budget.

The equipment will be a "back - pack" and tanks will contain 40 cubic feet of air. Bids will be opened May 1.

The department now has two air packs. One was purchased by the city and one by the volunteers.

Approval was given Roy Hunter to keep a horse at 100 6th Ave.

Gwyn said the area in question was "not congested" by other residences. The approval is for one year.

Mayor Lindsey requested the commission receive a monthly list of how many checks are written and to whom the money is paid.

(Continued from Page 1)

Cost of the project, to include the amendment and a land use survey, will be added to the city's requested planning grant approval.

Springer said both the zoning and land use preparations would add about \$3,500 to the city's planning grant request from the Department of Housing and Urban Development in Washington.

The planning consultant said his organization would study various "districts" and make them applicable to Canyon.

Among those items under the heading of "districts" would be apartment housing, office, retail, agriculture and planned development. Also discussed was the possibility of a separate district for West Texas State University.

Springer said the commissions would need a minimum of two meetings to prepare the amendment; two to three weeks to formulate the amendment; 15 days waiting period for notices and publications of public hearings; and a final meeting to approve the changes.

He estimated total time spent would be about 90 days before the amendment could be signed.

Springer explained that the commissions could either overhaul the ordinance with an amendment or "patch" what they have presently.

"A 'patch' of the present amendment would take just about as much time," he continued.

Also present at the meeting was Dr. W. J. Wooten, Canyon dentist, and City Attorney A.W. Lair.

Springer said his "crew" was in Amarillo conducting a land use survey.

"I'll try to have them here in Canyon within two weeks," Springer declared.

Earlier the commissions had agreed the present ordinance was insufficient and it must either be revised or a new set of plans formulated.

Following the joint meeting, city dads agreed to sign a fire fighting contract with Randall County.

The county group had earlier stricken two paragraphs from the contract dealing with responsibility of the county when firemen are not fighting fires within the city limits.

Lair suggested the contract be signed, but that City Manager Gary Gwyn request a rider to the city's present insurance policy that would specify that all CFD volunteers were covered on any contractual call.

Also suggested by Lair was the possibility of an agreement with adjoining counties on insurance coverage and liability.

FHA Week Underway

National Future Homemakers of America Week is in progress this week at both Canyon Junior High School and Canyon High School with a variety of activities being observed at each school.

The CHS chapter plans to hold a patriotic musical assembly in late April as a special highlight of the observance. The assembly program will feature approximately 80 FHA students in a choral program directed by Miss Linda Adams.

This week, the CHS chapter is paying special emphasis to the theme of the year "Future Homemakers of America—Harness Teen Energy Into Purposeful Channels".

Activities at the junior high school will include an old-fashioned ice cream social at 6:30 p.m. today, Thursday, in the school cafeteria for FHA members and guests. Friday will be "twirp day" at the school.

State Senator Grady Hazlewood joined the delegation before the commission and spoke for the scenic road.

The group was told that the Texas Parks and Wildlife Commission should be consulted on any road in Palo Duro Canyon State Park. Senator Hazlewood later said he talked to Will Odum, head of the Parks and Wildlife Commission, and was told that the commission would cooperate wholeheartedly.

The group also was told that funds for construction of the proposed road may become available under a scenic road bill now pending before Congress.

Chamber Manager Black said he understood that Palo Duro Scenic Road would be at the top of the list to receive such funds.

The road has received approval of commissioners courts in Hall, Briscoe, Randall and Armstrong Counties.

Route of the proposed road has not been designated. "We are depending on the landowners involved to designate an acceptable route," declared Gidden.

He said the drive is expected to be something near 60 miles in length. It will connect with existing road in the park and run from there eastward to some accessible point in Hall County.

Mrs. Charles Marshall was named "Jaycee-Ette of the Year" last week by the Canyon women's civic club.

The announcement of Mrs. Marshall's selection was made at the annual installation of officers, where she was presented with an engraved silver tray.

Announcing Buick's new GS-340.

(The minipriced GS-400.)

If you read the papers, you know how great our now-famous GS-400 is. (It's the one in the background.) And you also know you don't get a GS-400 for peanuts. It's a great car. But it's just a little rich for some people. So we set to work and designed the GS-340. It has a smaller engine (but the whole machine weighs less). Its

interior is clean and simple and tasteful. And it has its own ornamentation, paint job (see the rally stripe and hood scoops?), and, of course, all the GM safety features. So now you have a car that costs less than the GS-400, but one with its own special brand of excitement. How can you beat that kind of a combination?

Buffs Win Two Games News Briefs

West Texas State continued a much-improved baseball season by winning two of three ball games in the past week. The Buffs banged four home runs, including a grand slam blast by first baseman Dusty Runnels, in defeating Reese AFB 12-11 in a 33-hit slugfest in Canyon Wednesday afternoon.

Saturday the Herd split a doubleheader with Abilene Christian, falling 17-12 in the first game but coming back to take the second 5-3. Although raked for 22 hits, Buff pitcher Terry Cornett went all the way against Reese in gaining his first victory of the season.

Aside from Runnels' bases loaded, third inning shot, Steve Oakley, Mike Moffatt, and Larry Winters also homered in the Buffs' biggest offensive dis-

play of the season. ACC jumped on Buff starter Bob Lazzarri for 17 runs to win the first game of Saturday's twin bill. WT outthrew the Wildcats 18 to 17, but fell short in runs. Runnels banged a double and two singles to drive in three runs, Oakley rapped two singles. Roy Burrell crashed the longest Buff hit, a sixth-inning triple.

The Herd pushed across four runs in the second inning of the second game to sew up the 5-3 victory. George Allen slapped the game-winning hit, two-run single. Oakley, Runnels, Burrell, Ken Biscaglia, and Allen collected back-to-back hits to spark the Buffs' second-inning burst.

The West Texas State record now stands at five wins and four losses.

The Canyon duo gained their semifinals berth by downing Amarillo Caprock 6-2, 7-5 and Amarillo Tascosa 1-6, 6-2, 6-4. No other Eagles entries survived the first round, although the CHS girls doubles team of Susan Booth and Melody Jones won three straight games to open their second set against Caprock before bowing 6-0, 6-3.

Eagle cindermaen failed to score in the track battles in spite of turning in some of their best marks of the year. The best showing was a 5-8 leap in the high jump by sophomore Steve Butler. Other bright moments came when junior Phil Swartzell ripped off a 10.3 hun-

dred, junior Stan James skinned the 330 intermediate hurdles in 43.0, and the Eagle mile relay foursome of senior Charles Bussey, sophas Bob Wood and Jim McBroom, and James produced a 3:38.1 clock-

Four Buffaloes Ink Pro Pacts

Four West Texas State Buffaloes signed professional football contracts this week, bringing the number of Buff signees this spring to nine.

Inking contracts were Hank Washington with the New York Giants, Ted Wheeler with the St. Louis Cardinals, Dave Gasser with the Edmonton Eskimos, and Wilton Manley with St. Louis.

The rifle-armed Washington ranked fourth in the nation in total offense last season with 2,180 yards, and fifth in passing with 163 completions on 281 attempts (58.0%) for 2,107 yards and 17 touchdowns. He broke all West Texas State passing records in only two years. Washington's contract was estimated at \$40,000.

Drafted in the ninth round by St. Louis in the pro draft, Wheeler signed for an estimated \$25,000. The 6-3, 235-pound tight end is the leading pass

receiver in Buffalo history, having caught 71 for 738 yards and seven scores as a four-year letterman at WT.

Manley, a 6-5, 265-pound defensive end on the 1964 Buff team, was picked up as a free agent by the Cards.

Gasser joined fellow-linebackers Burl and Earl Wood in the Canadian Football League by signing with Edmonton. The Wood twins had previously been contracted by Vancouver.

Defensive guard Marc Allen and tackles Bobby Duncum and Doug Kriewald are the other Buffs who have been signed by the pros. Allen belongs to the Baltimore Colts, Duncum to St. Louis, and Kriewald to the Chicago Bears.
